## Our Future Is At Stake!

**Please read the “fine print” below:**

**The ETERNAL lives of kids and adults are also at stake!**

**Should our programs change to reach the next generation?**

**Do you have ideas or thoughts or time or resources or gifts or skills  
you could give to help us frame and mold our future?**

**What about adding a 10 week spring Bible School of some sort?  
Or father/son Man Camp? Or Mother/Daughter adventure camp?**

**How can we make camps & retreats more attractive?  
And affordable? And effective? And Fun? And Life-Changing?**

**What is the best way to fill our calendar  
and increase our ministry?**

The fine print:

We are in our 18th year here at Camp Jonah. We don't want to shift into neutral and coast aimlessly into the future. It would be easy to keep things the same, but we feel there's more. We want to seek God, together, to find His will for this camp that He invented and cares about. We're feeling some itching and growing pains. **Just what is it that God, our Camp Director, has in mind? Please join us for a brainstorming and prayer time on October 4th from 6-9 PM. It's important to be on time and stay the whole time.** This sure-to-be-remembered evening will include pizza and prayer, worship and sticky notes, laughter and brilliant ideas, leading to grand anticipation for a life-changing future for years to come. Many lives are at stake. Won't you join us?

**Please RSVP to Beki (509-395-2900 or [jonah@campjonah.com](mailto:jonah@campjonah.com)) on or before Wednesday, October 2nd.** Please be in prayer for this event and watch with us in anticipation to see what God has up His sleeve!

The important stuff:

“Let us hear of your unfailing love to us in the morning, for we are trusting You.  
Show us where to walk for we have come to You in prayer.  
Teach us to do your will, for You are our God.
