

Kally Wenz (Camper) – “Kally won’t be attending camp this summer – the first time since 5th grade. She will be traveling to Honduras on a mission to worldwide Heart to Heart’s Children’s Village, doing VBS’s in two local towns and spending time with the 88 children at the village. Kally has been impacted in a great way by her Jonah counselors.” (Quote by mom)

Emma Tiffan (Camper) – “Emma has always had a heart for missions and we’ve always known she would eventually go on a trip. She has attended the Mission Camp at Jonah Ministries for years and jumped on the chance to go to New Zealand this summer.” (Quote by mom)

Emily Jadhav (“Turtle”) – You have no idea how happy I am for this huge miracle (Taylor Property Purchase). It is a huge boost of faith for me at this time when we are believing God to provide for the land and building of the children’s home He has called us to run. I am especially glad that the board has ordered you to use it for your own home. I had been hoping that you could use it as your personal residence, but I figured you and Jeff would always want it to be used for others first, so I am so glad that you have a board to look after you in that way. I am just so excited for you and wanted to let you know. Many blessings as you revel in God’s goodness this month and the months to come. I know your new home will be a place of rest and refreshment not only for you, but for many others. (Missionary in Jaipur, Rajasthan)

Nathan Morache (“Asher”) – Doesn’t this picture say it all? Here’s a young man who was recently baptized to show his desire to follow Jesus with his whole heart and soul!

Sarah Gallup ("Leenie") – (August 2012) *Just wanted to share that today marks nine years of being in the Word every day. I still credit that to the Lord, of course, and to your encouragement and challenge to us that first year that I was at Jonah. I can't wait till I reach ten years!*

Michelle Corbin (Mom of "Murdock") –*Happy Mother's Day! On this day I was thanking God for all the people who He has brought to help our kids become all God has made them to be. You and Jeff have been so awesome with Mitch, allowing him to become a man deeper in love with our Lord. A man who knows the value of working for the Lord through everything he does. And a man who is learning to put his trust for everything in our Lord! Thank you both for all you have done for Mitch and every child, youth and young adult you have touched this last year. It has been a blessing to get to know you guys, your vision for Jonah and to see your love for bringing more into His kingdom. I am in debt to you!"*
