CAMP DETAILS

CAMP STORE

You may add funds to your camper's camp store account at any time by logging in online or contacting the camp office. Campers may also bring cash; however, they are responsible for keeping track of their own money and any change for the duration of camp.

\$2-\$5 per day is typical and younger campers will be allowed up to 2 snack/drink items per day. We offer a mix of healthier snack options as well as sweet treats. Typical prices are:

Candy, Snacks & Drinks: \$1.50

T-shirts: \$20

Ice Cream: \$2.00

Hoodies: \$30-\$35

Any remaining camp store money under \$10 will be donated back into the camp store at the end of summer unless otherwise requested.

MAIL/PACKAGES

Mail and packages may be brought to check-in when you drop off your child and will be distributed throughout the week. Please clearly label all items with your camper's name.

WHAT NOT TO BRING TO CAMP

Cell phones or other electronic devices. Our goal is to create an unplugged camp experience for the safety and fun of all campers. Please leave phones and other electronic devices at home. If a phone is brought to camp, it will be collected at check-in and securely stored for the week.

Pets, weapons, or illicit drugs of any kind.

LOST & FOUND

Please label all belongings. Camp Jonah is not responsible for lost items. It is your responsibility to call and make arrangements for the return of lost items.

All items left behind are kept for two weeks after each camp session ends and then donated.

CHECK IN

Registration fees must be paid in full or payment plans made at least two weeks prior to the start of camp. To set up a payment plan, please contact the office.

When you arrive, enter through the main front entrance and proceed downstairs to the gym.

No early arrivals please!

MEDICATION/HEALTH

Prior to arriving at camp, register all prescription medications online, including the schedule for dispensing the medication. Do the same if you want your child to have specific vitamins or over the counter medications.

Over the counter medications are provided by the designated camp medic, no need to bring them!

Any medications/vitamins coming from home must be clearly labeled with the camper's name in the original container. They will be turned into the designated camp medic at check in.
